FUNDED EARLY EDUCATION FROM APRIL 2024

Please visit: <https://www.childcarechoices.gov.uk/>

Funding for 2, 3 and 4 years-old

Every child is entitled to up to 15 free hours per week, **the term after their third birthday** for 38 weeks of the year. These will be deducted from the total hours a child attends during a term. Please see the fees scale for further information. We are happy to accommodate parents who want to access only their free 15 hours entitlement. We will, however, give priority to parents who wish to purchase additional childcare when there is a high demand for places. You will be required to fill out and sign a Parent/Career Declaration Form which will be given to you at the appropriate time. We will also need proof of your child’s date of birth.

Some children will be entitled to 30 free hours per week or 15 free hours for working parents with a child between 2 and 3 years old. In order to find out if you are entitled to the funding scheme, you will need to access the Government’s website to receive an eligibility code. For more information about free childcare visit <https://www.gov.uk/30-hours-free-childcare> or call the childcare service **helpline 0300 123 4097**.

If you're still finding childcare funding a little tricky, we'll do our very best to help. Those are the main things to know about fees and finding:

If your child turns three during the Autumn term (Sep-Dec) and will be entitled to funding for the first time from January, the deadline to make your application for a 11 digits code Hour is **31st December 2023**. To obtain a code or to renew your code, if funding is already in place, please visit <https://www.gov.uk/30-hours-free-childcare> or call HMRC **(0300 389 8667)**.

- ✓ There are two main schemes to support parents with childcare costs:
Universal All 3- and 4-years old, and some eligible 2-year-olds, can get 15 hours funded childcare. But working parents of 3- and 4-year-olds can double the allowance to **Extended** 30 hours funded childcare.
- ✓ Government funding does not cover all the cost of the nursery service, it covers part of education, that's why we'll ask you to contribute towards the other essentials: drinks, snacks, meals, sudocream, pull-ups, materials, Tapestry, Montessori equipment.
- ✓ Parents can share their funding hours between two Ofsted registered providers, such a nursery or childminder.

If your **contract with the nursery is 49 weeks**, we stretch your hours over the year, because government funded hours only apply to term time (38 weeks). To calculate your stretched private fees, we use the formula:

Private fee per session £ * Number of sessions per week = £ * 11 weeks = £ / 12 months

Example of a child attending Nursery session 9-3:

Private fees: £55.50 per session x 3 sessions per week = £166.50*11 weeks=£1,831.5/12months = £152.63 payable by the parent

- ✓ For 30 hours funding, every three months you'll have to check and confirm you're eligible to get your 30 hours code. Just make sure you've set a reminder. If you don't renew your code, you need to pay the fees at nursery rate, as the setting cannot make the claim on your behalf.

Whatever you decide, we'll do the best we can to fit in with your family life and working hours. If you ever need to make a change for your child, all you need to do is contact Sonia Scott, our finance manager at admin@oratorymontessori.com. Please notice the nursery manager or education team do not deal with funding.

GUIDANCE TO MAKE APPLICATION FOR FUNDING

Parent Declaration Form Funded Early Education for 2, 3 & 4 year olds

We accept funding for 2-, 3- & 4-year-olds. **Parents must complete and sign a parent declaration form** to apply for funding.

You need to agree and complete a Parent Declaration Form with each setting your child attends for their early education entitlement to ensure that funding is paid fairly between settings. If your child is splitting their free entitlement across two providers, please nominate the main setting where the local authority should pay the universal entitlement.

2-year-old funding

2-year-olds from families in receipt of certain benefits, including working tax credit with an income of £16,190 or less per year. Children with an Education, Health, and Care Plan or those attracting Disability Living Allowance are also entitled to a place. The criteria also include children leaving care through special guardianship, an adoption or residence order. From April 2024 working parents can apply on the government website for this benefit.
